To whom it may concern:

It is a genuine pleasure and honor for me to recommend Joe Williams of LMI Builders. Joe and I worked on several Architectural projects together over the past several years.

As designer & project manger I interacted frequently with him and depended on him to consistently deliver a quality finished product on time. He has met and many times exceeded my expectations on every project. Very goal oriented as well as a team player, Joe was always punctual, yet easygoing. He was keenly devoted to his work, but being a real people person, he was also enjoyable to be around.

Joe demonstrated that he understood what general contracting business is all about. He was well organized and thrived under adversity. He kept a sharp eye on the bottom line, but realized too that customer satisfaction is what makes or breaks your business. I suppose doing well in business is easy if you are, as he is, driven in equal measure by both quality and efficiency. In closing, let me say I have no hesitation in recommending Joe Williams of LMI Builders for any general contractor project. I feel confident LMI Builders would be an asset as your General Contractor.

Sincerely,

Danny Ray Norman, Jr.
Designer & Project Manger
