RE: Letter of reference for Level Masonry

To whom it may concern:

Level Masonry has been a business acquaintance of ours for the past five years. I have been impressed with their ability to manage their business affairs as well as their success in the building industry. LMI has shown competence and integrity in all circumstances.

We value the business relationship we share with LMI and are fortunate to have them as a customer. Please call if you have any questions.

Sincerely,

Mark F. Smith  
V.P.
